Stokesley and District Community Care Association

WHAT IS THE COMMUNITY CARE ASSOCIATION?

The Association is a Registered Charity which is managed by a Board of Trustees who are all volunteers.

The committee meets regularly and welcomes new members.

There is a staff team of six co-ordinating the day to day running of the Centre.

The Community Care Association offers a wide range of support services for those in need in the local community.

WHAT WE HAVE TO OFFER THE COMMUNITY

The Centre based in Town Close offers facilities for a variety of social and support groups.

There are two large Activity Rooms and a Meeting Room for hire. We have disabled facilities including a hearing loop and can provide refreshments.

We consult with local carers and users of Health & Social Services to get to know what their views of such services are and to encourage involvement in the planning of these services.

The Community Care Association also operates as a Local Development Agency. In this capacity, we aim to reach out to the local community, identify needs and assist in the establishment and support of voluntary and community groups.

Stokesley Volunteer Centre is also part of the Community Care Association and is located in the same office. The Volun-

teer Centre has information on many volunteering opportunities and offers advice and support to all volunteers and organisations who use volunteers.

GEOGRAPHICAL AREA WE COVER

Stokesley, Great Ayton, Great Broughton, Hutton Rudby and all the villages within a 15 mile radius of Stokesley.
