The Community Care Association is based in Town Close, on the first floor above the Library and offers fully accessible meeting and training rooms for hire by individual members of the public or local groups.

We have a meeting room which can accommodate 10 to 12 people, with flip charts and whiteboard facilities.

We also have two large activity rooms: one of which is fitted with a wall mounted screen and ceiling mounted projector for use with a laptop computer, as well as Wi-Fi connection. In addition we have disabled facilities including a hearing loop and can provide refreshments.
