

# Stokesley and District Community Care Association Newsletter

Firstly I would to thank you all for your continued support for the car scheme. I know Kay has spoken to many of you and updated our records, so thank you for helping to make this a relatively painless process !

I was in Richmond myself on the 19th March.....attending the Unicorn Pub quiz, to receive a donation of £400 to support the scheme. This is great support from the local community and it is with your help that we can reach other groups to not only donate, but also help us recruit new drivers.

Best wishes                      Phil Henderson (manager)

## Posters, Leaflets & Flyers

You will have received a couple of leaflets and flyers along with this newsletter - these are new and you should shortly be seeing them around and about in Richmondshire!

We say a big Thank You to Guy Carpenter for the photo on the front—depicting the rurality of Richmondshire.

As I mentioned we will be delivering these to various locations around Richmondshire, including libraries, doctors, dentists, shops etc.,.

If, however, you do not see one where you think there should be one please use your copies or ask us for a poster. Please also hand the leaflets to anyone who you think might benefit from the scheme.

### **A positive message from a volunteer leaving us...**

**'I started as a car scheme volunteer in 2010 after suffering severe depression and volunteering built my confidence up to the point I could get paid work with NYCC. I firmly believe that the car scheme work enabled me to demonstrate transferable skills during my job interview with NYCC which in turn led to me getting a job which I currently love doing'**

**Volunteering is two way - it can help both the volunteer and the client.**

We have been asked by some of our volunteers what else we do as a charity in and around Stokesley, our services cover:

Two fully accessible Minibuses, A Lunch club, A Day Centre for people living with dementia, Befriending & Respite Sitting Services, A Volunteer Centre, Listening Tapes for the visually impaired, A Craft Club and some exercise classes for elderly, disabled or isolated people.

For more information on all our services visit [www.stokesleycca.org.uk](http://www.stokesleycca.org.uk)

### **A reminder to drivers....**

We appreciate all feedback from our volunteers , especially updates on our clients physical wellbeing or any information which will make both the driver and clients journey better

*Thank You*

**A Clean & Tidy Car is  
a Happy Car!**
