# The Richmondshire Car Scheme

Charity No. 1178776

The Car Scheme is a service  
set up to help people who  
are unable to access public  
transport due to age,  
disability or isolation.

Help support your communities by  
joining our team of volunteers.

## How can we help?

We provide door to door transport for the residents of Richmondshire. We endeavour to transport people to medical appointments as well as other journeys to help people remain independent and maintain their well-being.

## What does it cost?

There is a charge of 45p per mile, to cover the cost of the volunteer driver's expenses.

This is calculated from the volunteer driver's home to the destination and back. We are a non-profit charity with this charge paid direct to the volunteer driver.

## Additional Information

All our drivers are volunteers and have to supply references and are DBS (Disclosure and Barring Service) checked. The drivers wear an Identity Badge.

## How do I use the Car Scheme?

Simply call the office to give us the details of your appointment/journey.

We ask for 48 hours notice for all journeys.

# Join our Team of Volunteer Drivers

We always welcome new volunteer drivers to help us continue this important service.

## An hour or two of your time can make all the difference.

Volunteers use their own cars to provide transport to people who are unable to access public transport due to age, disability or isolation.

This is a very flexible role and we appreciate as much or as little time as you can afford. Expenses are paid at 45p per mile to cover fuel and car maintenance costs.

This role is subject to references and a DBS (Disclosure and Barring Service) check which is carried out by us.
